Planned gifts save and restore sight for future generations

## 20/20 VISION LEGACY

*Estate Plan Contributors to That Man May See*

That Man May See deeply appreciates thoughtful individuals who support patient-centered care, research, and education by making That Man May See a beneficiary of an estate plan. These types of gifts provide capital support, fund vision research, and create chairs and distinguished professorships for the Department of Ophthalmology and the Francis I. Proctor Foundation at the University of California, San Francisco (UCSF). These planned gifts may be unrestricted, to be used where the need is greatest, or designated for a particular purpose.

We thank you for the gift you have already provided or the one you are considering to That Man May See.

*For further information, please contact Molly Libera, Esq., Director of Major and Planned Giving, at [molly.libera@ucsf.edu](mailto:molly.libera@ucsf.edu).*
